SERMON INFO

fearLESS

Storms are where Jesus teaches us
His best lessons about fear.

What is something you are afraid of? Text your response to 405-336-3170.

Questions for Reflection & Discussion

- What are some fears that are healthy?
- Are you more fearful or less fearful now than you were 10 years ago?
- What would it take to be less fearful ten years from now?
- Do you think Jesus intentionally led the disciples into this storm? If so, why would he do that? If not, why not?
- When was a moment when you doubted the goodness of God?
- What spiritual memory do you have that gives you courage?
- When was a moment when your fear led you to say or do something you now regret?
- How can you leverage your church engagement to counter your fears?
