BEYOND THE BUILDING

Questions for Reflection & Discussion

- How does the parking lot change the church service experience?
- What is one way you've seen the church work outside the building the past year?
- We tend to do more planning than remembering. What is a significant event in your life, whether positive or negative, that you think is important to remember on a regular basis?
- What is the story you tell yourself about the last year of your life?
- What kind of ministry or service is most on your heart right now?
