I Love Memphis

The week of June 20, the sophomores and juniors in the youth group took a mission trip to Memphis, TN. Our goal was to serve the local community by partnering with the Agape organization and various churches, to gain a better understanding and empathy for the struggles black Americans faced and still face, and to build relationships with fellow students and the people of Memphis. We painted apartments, lead VBS at a local church, visited the Civil Rights museum, ate lots of barbecue, and more. Of course, a youth trip wouldn't be complete without Max Pope's signature gas station snack runs! After over a year of quarantine, this trip was especially meaningful. It was spiritually rejuvenating to finally be able to serve and worship with my closest friends again. I'm thankful to be a part of a church family that cares so deeply about missions and provides opportunities for their teens to be a meaningful part of it.
