SERMON INFO

ALL IN more than mediocre

Questions for Reflection & Discussion

- Do you wish summer would go longer or fall would start earlier?
- What is something that you started well but did not finish well?
- Who is an example of a Christian who seems to get stronger in their walk with Christ the older they get?
- How many of the key moments from Peter's life that Phil mentioned can you name? What would be your opinion as to when he was "saved"?
- Go through the list of significant moments in Peter's life and share what you think God might have been trying to teach him at that moment.
- What areas of your life currently have structure? What does that look like? What areas of your life need structure? What in theory would that look like?
- When you take inventory of voices in your life, which ones do you listen to the most? Which voices carry the most influence? Why is that?
- What would it look like in your life specifically to "devote yourself to the apostles' teaching" as Acts 2 puts it?
