COVID and Flu Reminder

If you have any symptoms of COVID-19 or the flu, we ask that you protect yourself and others by staying at home until you are well. These symptoms include: fever or chills; cough, shortness of breath or difficulty breathing; fatigue, muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea. Sunday morning worship is broadcast live at 8:15 each week, with archives available, at YouTube.com/memorialroad. Studies are also available at mrcc.org/TheWell. We truly appreciate your cooperation and understanding.

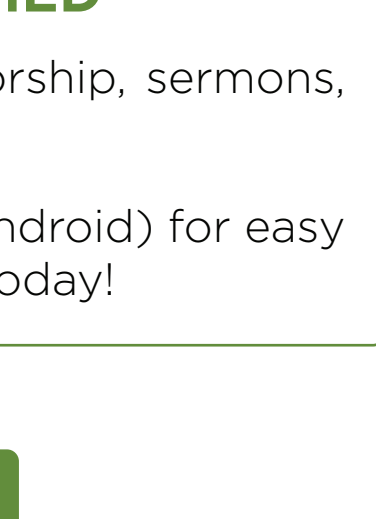

New Elder Selection

For several years it has been the practice at Memorial Road to add elders at regular intervals. We are committed to providing spiritual oversight and shepherding to our members. As you know, in recent months some elders have passed away or stepped aside, and more men are needed to help provide spiritual oversight for our members.

We believe the biblical role of elders is to provide spiritual leadership, safeguard doctrine, and conduct the affairs of the church. The scriptures set forth qualifications that identify men who are devoted to God, their families, and the church. Also remember to not overlook well-qualified men who may be younger or from diverse backgrounds.

Every member is urged to participate in this selection process by studying the scriptures, praying, and recommending the names of those you believe should receive careful consideration. Recommendation forms will be available Dec. 5 and must be turned in by Dec. 19 at 6 p.m.

All of this is to be done in faithfulness to God's word and with sensitivity and concern for all members.

SERMON INFO

Next week will be an important Sunday for us as we head into the final month of the year. We will share updates regarding our regular contribution as well as some exciting news about our long-standing *Imagine* campaign, which is our multi-year project to reduce or eliminate our churchwide debt. We started this project so that ultimately we can free up funds for more ministry in the future, fueled by dreams you have shared along the way. This week and next, our sermons will focus on stewardship, so we can prepare for great things to come.

Prayer Request

Please continue to remember **Aidan Laxson**, 15-year-old son of **Brett & Kari Laxson**, as he recovers at home.

Thank You

Thank you for all the donations, encouragement, and support. It is communities like these that push us to want to give back and do what we can to help. Throughout the last month, Delta Gamma Sigma collected winter clothing for Afghanistan Refugees, local shelters, and our OC International students. We decided that 150 coats would be a tough, but reachable goal; seemingly, with your help, we collected over 500! We thank you for your donations and for giving us the ability to give back.

God Bless, Delta Gamma Sigma
