SERMON INFO

Today Josh Kingcade will deliver a sermon called *Punishment and Promise: The Flood*. Several generations after creation we see a world scripture refers to as "corrupt and full of violence." We even read, "The Lord regretted that he had made humans." In a shocking turn of events God destroys almost all living things in a flood. Only Noah, his family, and a boat filled with animals is saved.

Often, we too feel we have disappointed our creator. Does that mean we are destined for punishment? Josh will give us hope by showing us the God who punishes is also the God who promises.

GOD'S MASTERPIECE

Join us this evening at 5:00 as **John Curtis** continues this lesson series out of Psalm 119.
