Leadership Training for Christ Leadership Training for Christ is something I have looked forward to participating in every year. It was a simple way to connect my hobbies and the things I love with God while hanging out with my friends and exploring new things. In my early years, I participated in the Bible

challenges, art, chorus, drama, puppets, signing,

and many other events to push me out of my

comfort zone. Even though I loved staying in my

hyperventilating in the hallway and not being

able to calm down despite everyone's efforts.

My coaches, Jeri and Cameo, were next to me,

encouraging me, and it was helping a little, but

then my mom came over. She stood in

front of me, grabbed my shoulders, looked me in

the event room, did my thing, and got a

gold! The encouragement and patience every

coach and director gave me has left a lasting

impression and helped create the person I am

today. I've learned how to lead, guide, and help

others reach their goal and show God's light

through their passions. I will miss all the

practices, friendships, and Dallas grass that I

experienced over the past 10 years.

why Jesus came, Romans 8:1-4. This tightly packed

passage reveals how Christ's work on the cross dealt

with the power of sin and paved the way for the

ministry of the Holy Spirit.

In spite of what the world may think, Jesus' ministry

was successful. Did He do it all by Himself, or did He

have a support team? Our new series, Jesus' Support

Team, will explore how others enabled Jesus to

accomplish all He did.
